How to find the resources from our home page

The screenshot shows the home page of the Alliance Sector Skills Councils. At the top left is the Alliance logo. To its right is the text 'All Sector Management and Leadership Skills Development'. The main content is divided into two columns. The left column has a 'Welcome' section with introductory text and a 'Summary of Alliance M&L Offer' section with links to a quick summary and latest operational plan. The right column has a 'Find the right solution for your employers' section with a 'Finding the right solution' button, a 'Recommended solutions from our research' section with a 'Recommended solutions' button, a 'Recent' section with buttons for 'News and recent posts to this site', 'Latest newsletters', 'English Regions', 'Northern Ireland, Scotland, Wales', 'New Solutions work', and 'EnterpriseEssentials', a 'Forum meetings' section with buttons for 'Last Forum - 16 June 2010', 'Previous Forum - 5 Mar 2010', and 'Forum Archive', and a 'Train to Gain' section with a link to 'Key links to Train to Gain L&M Advisory Service'. At the bottom right, there is a red hand-drawn box around the text 'Other: GRANTfinder'.

Welcome

If you work for a Sector Skills Council (SSC) or one of our Partners - welcome!

Our all-sector Management and Leadership site is full of working documents that reflect our thinking on a day by day basis. They're created and maintained by our network of SSC members.

If you would like to contribute to this work or confirm the latest, definitive position on any subject, please do contact us.

In September 2009 the Alliance of Sector Skills Councils asked [SkillsActive](#) to continue to lead the all-sector programme for management and leadership development. You can see the agreed plan [here](#).
